COMMUNICATION

Commissioner of Patents
U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

In response to the Notification of Missing Requirements, applicants submit that the translation filed on March 8, 2001, with the application was a translation of the International Application specification as originally filed with claims 1 through 29. Claims 30 through 38 contained in the translation were submitted by the present assignee to the EPO but were not published with the PCT Application.

However, the issue is moot since Applicants are canceling all of the claims, except for claim 1, in a preliminary amendment filed with the Missing Parts.

Please contact the undersigned if any further information is required.

Respectfully submitted,

DORITY & MANNING, P.A.
